The characters in BASTARD are having an old technology and have it exchanged for magic cards and occult arts. The story revolves around five magician who made to recover the world, because God is crazy and destroyed it, turning it into chaos. Led by their leader, Darko Shnaydar, Gara, Arshes Nei, Abigail and Kal Su set out to conquer kingdoms, hoping to turn them into utopias, and each of magicians has its own reason. However, unwise actions and frequent outbreaks of easy Shnaydar Darko often make him spoiled. He was imprisoned in the body of the boy from the clergy, leaving the Quartet without a leader.

Fifteen years later, the four still continue to pursue its goal, but now with other motives - despotic mastery of the world, and now everything depends on Darko Shnaydar to show them "errors of their way, which is released from pastoral in order to protect them from his former comrades. Shnaydar Darko now has the responsibility to win each of those of his former teammates and they scored again in the right way, but if Darko Shnaydar remained the same reckless and shameless man, or has changed in the last fifteen years in the body of the boy Luci Lin Lin.
